UNITED NATIONS
Office for Outer Space Affairs

Mission (WHO / WHAT / WHY)

UNITED NATIONS
Office for Outer Space Affairs

Prince Sultan Bin Abdulaziz
International Prize for Water

- A ***multi-stakeholder platform*** for ***interdisciplinary knowledge exchange***
- Making ***information*** on space solutions and technologies for water-related topics ***discoverable and filterable***
- A ***capacity-building platform***
- A portal for ***expert communities, including those from developing countries***

Vision

*“... is to **enable** all stakeholders involved in the space and water communities to **access** data and knowledge, to be creative and to realize their full potential in **contributing** to a world in which the availability and sustainable management of water and sanitation for all has become a reality”.*

Timeline: Looking Back & Status Quo

- Collecting user requirements
 - at conferences & workshops
 - via 3 minute online survey
- February - October 2018
 - design and development
- Since November 2018
 - refining and improving features
 - collecting and developing content
